My Dear Mother, Mrs Congregational Board
will meet to-morrow at 11, and not 13, as
I erroneously thought. It will afford me
much pleasure to introduce you to the
brethren. Please to communicate this to Mrs

William Mother, Mr Leavitt.

Can you promote us with your
services next Lords Day? Most happily shall I
be to Union to our pulpits, my home and my
heart, a true descendant of the Puritan Fathers.

Very sincerely yours
W. A. Phelps. James Perkins
